

Abdullah Al Azad

CSE STUDENT

Dedicated web developer and competitive programmer with a Bachelor of Science in Computer Science Engineering from the Islamic University of Technology (IIUC). I am proficient in MERN stack development and have a strong foundation in HTML, CSS, and JavaScript. My technical skillset extends to C++ for competitive programming and Python for machine learning applications. I have sharpened my problem-solving and algorithmic abilities through competitive coding on platforms like Codeforces, Leetcode, etc.
